14<sup>TH</sup> EUROPEAN VETERANS  
ATHLETICS CHAMPIONSHIPS STADIA  
ÅRHUS & RANDERS, DENMARK  
22 JULY - 1 AUGUST 2004

# Dear veteran athletes of Europe!

No less than 181 Championship Records, 64 European Records, and 45 World Records were set during the 14. European Veterans Athletics Championships Stadia (EVACS 2004) in Århus and Randers.

The wonderful performances by 3703 veteran athletes from 40 countries were the highlights of the championships. But according to the greetings we have received from all over Europe since EVACS 2004 many athletes also took some time off with their families to explore our country and the two host cities.

We hope to see you back again some day and wish you the best of luck in the future.

Certainly the hosting of the largest athletics event ever in Denmark was a big inspiration for the local organising committee and more than 700 volunteers. We did our very best to make these championships successful and we sincerely hope that you enjoyed your visit in Denmark.

Best regards

# European Veteran Records in Århus/Randers 2004

010804

Compiled by Ivar Söderlind, Statistician of EVAA

After the last day of the European Veterans Championship in Århus/Randers I have noted 181 Championship Records, 64 European Records and 45 World Records. It is most Records ever in EVACS:s history . 12 European and 11 World Records are noted in the "new event" Weight Throw! It's set up much more Records compared with EVACS in Potsdam 2002 when it was totally 131 Championship Records, 39 European Records and 22 World Records. In the Combined Events I have not the possibility to notice any Records because WMA:s new Scoring Tables now was used for the first time.

WR = World Record
